

# Privacy Policy

## Quinta do Cardo

AgroCardo S.A, hereinafter referred to as Quinta do Cardo is committed to respect for the privacy and confidentiality of the personal data that are made available to you and therefore in this document you will find information on how they are handled in accordance with the European General Regulation of Data Protection. We have adopted administrative and technological measures to comply with the new European General Regulation on Data Protection.

### Where is captured the personal data?

Quinta do Cardo's indirectly collects personal data through its website [www.quintadocardo.com](http://www.quintadocardo.com).

### How is personal data collected?

Personal data is collected indirectly in the website (through the registration of actions carried out by site visitors that are essentially anonymous but in some cases may allow their identification). The indirect capture includes electronic communication protocols, cookies, embedded addresses, transparent pixels, widgets or georeferencing data.

The Quinta do Cardo's website uses cookies to ensure a better user experience and also third party cookies such as Google for traffic measurement and analysis. These cookies may store some information that allows to identify the visitor. However visitors can configure their Internet browser to not accept cookies, if they wish.

### What is the purpose of capturing personal data?

The personal data is captured in a marketing perspective, with the explicit consent of the owners, thus allowing Quinta do Cardo to make known their products, projects and other useful information by email, as well as to maintain contact with them throughout the time and as long as it is in the interest of both parties.

### Will my data be shared with third parties?

The data can be shared with third parties, namely with infrastructure providers (server / web hosting service and email) or other suppliers related to services that we can contract, as well as to perform the contracted services. In addition, the data may be shared with third parties in case of any specific partnership that Quinta do Cardo will develop with another market operator. In this case, all data owners will be informed in due time and given the opportunity

to oppose this sharing. The data may be shared with the judicial, tax and regulatory authorities to comply with legal requirements.

**Can this privacy policy change?**

Yes, depending on the evolution of legislation and technology, it is possible that the current privacy policy will change. All changes will be reflected in this document available online.
